

## CFPs: A feast of academic exchange

February 7-8, 2018, Wuhan, China

Official website: <http://www.csece2018.org/>

Welcome to go to Wuhan, China during February 7- February 8, 2018 to attend 2018 International Conference on Computer Science, Electronics and Communication Engineering(CSECE2018) and meet more colleague.

Researchers, scientists, engineers, and scholar students are welcomed to exchange and discuss the practical challenges encountered and the solutions adopted about all aspects of the fields.

### Publication

ATLANTIS  
PRESS

All accepted papers for CSECE2018 will be published by Atlantis Press on **Advances in Computer Science Research (ISSN 2352-538X)**.

Index service the full papers submission after being accepted will be submitted for **EI Compendex, CPCI-S (formerly called ISTP), Scholar Google and CNKI Scholar**.

### Submission

- You are encouraged to send your papers to our mailbox-[sub@csece2018.org](mailto:sub@csece2018.org).
- All submissions must be written in English and should be prepared in given style (Paper Templates) and they will be peer-reviewed.
- Papers should be original, must be unpublished, and must not be submitted to other venues during the review period.
- Within a week, accepted papers will receive Acceptance Notification and Acceptance and Invitation Letter. Please check your email regularly for the next week.
- You're welcomed to submit abstracts for presentation. The abstracts are only used for an oral presentation and will not be published in the conference journal.

### Topics

Authors are invited to submit a full paper, and papers should be written in English. Topics of interest include, but are not limited to:

|                                  |                                 |                                 |
|----------------------------------|---------------------------------|---------------------------------|
| ◆ Computer Science               | ◆ Electronics                   | ◆ Communication Engineering     |
| ◆ Cryptography and data security | ◆ Electromagnetic compatibility | ◆ Wireless sensor networks      |
| ◆ Service management             | ◆ Information networks          | ◆ Grid Computing & Applications |

### Conference Schedule

The first day (February 7, 2018), it is Conference Registration Day. The second day (February 8, 2018), it will held Open Ceremony, Keynote Speech, Oral Session and so on specialist activities.

We are looking forward to your participation and submission and seeing you in Wuhan, China at CSECE2018.
